Cut these pieces out, directions are on the back!

Make your own Presto bookmark!

Step One

Fold along the dotted lines and crease well. Fold the top left and bottom right corners in to the center of the "X" so that it looks like this:

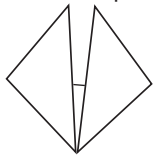

Step Two

Fold the paper in half diagonally to the left, it will look like this:

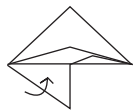

Then fold both corners up so that they meet at the center like this:

Step Three

Flip your paper over and tuck the top left and right flaps inside the pockets like so:

Now you can color it in and paste on the ears and eyes! 'Presto', it's Presto the bunny!
